

Summary

----- SHELL POINT GENEALOGICAL SOCIETY (SPGS) MAGAZINES ARCHIVE-----

This file lists all the magazines in the SPGS Library. Click on the "index" or "contents" file to view the content of the issues of each magazine title in the collection. Some of the contents files are large files that may take a few minutes to open. Once open, you can search the file with ALT-F (Windows) or CTRL-F (Mac) to find names or keywords of interest. When you find articles you want to read, visit the SPGS Library to access the magazine in print or pdf electronic file. Use the Library computer to view the pdf files, or bring your own computer if it has a USB port. Some of the magazines listed can be searched on-line with the web links shown.
